

Wir laden Sie herzlich ein:

Project Space Salzamt | ab 11. November 2015, 19 Uhr

John Plowman

'drawing after the (f)act'

A series of drawings that re-imagine my own history as an artist, through depictions of sculptures, recalled from memory, I have made over the last three decades. Establishing taxonomies to create a drawn archive of sculptures I have made, or importantly remember making, this archive becoming another artwork to be recalled at a later date.

John Plowman (UK) war Artist in Residence im Salzamt im Oktober 2015
