As part of the nextcomic festival, the Linz-based collective *Potato Publishing* invites *After Hours Work Club* from Romania, consisting of Dariana Ilie, Melinda Ureczki Lazar, Lucian Barbu and Gavril Pop. United by friendship and a passion for comics and self-publishing, they explore themes of magic and esotericism. The outcome of their residency will be presented in a group exhibition expanded by works from Malwine Stauss, Srdja Dragovic, Milena Vukoslavovic and Paul Waak – former Salzamt Artists in Residence with a focus on illustration, print and comics.

To wrap up the festival, *Potato Publishing* invites you to a *Drink & Draw* – an informal drawing session within the exhibition. Bring your favourite drawing tools. Drawing games and experiments will be provided.
